### WORK EXPERIENCE

#### SOFTWARE DEVELOPER

**NAFTAL Tiaret's Headquarters**, a National company that sells petroleum-based fuels for domestic consumption in Tiaret  
January 2017 to June 2017 ( 6 months) as part of the final project

#### SOFTWARE DEVELOPER

**HR, Faculty of MI, IBN KHALDOUN University.**

January 2019 to June 2019 (6 months) as part of the final project  
Completely rewriting the old app for HR and compensation management from Delphi to JAVA EE, the old app was clumsy and using a lot disk space and doesn't use DBMS, require too much house keeping work, too slow and impossible to refactor.
